

Remarks

The title of the invention, as set forth on the first page of the published International application (WO 2004/108203), has been amended to correspond to the title of the invention as set forth on page 1 of the specification and Declaration and Power of Attorney form.

Claims 3-5 have been amended to depend from only a single preceding claim, in order to reduce the filing fee, as a result of which new claims 8-13 have been added to the application. These new claims are the same as claims 3-5 except for their dependency.

Respectfully submitted,

Shinya MAENOSONO et al.
